

# the number of the cases per month

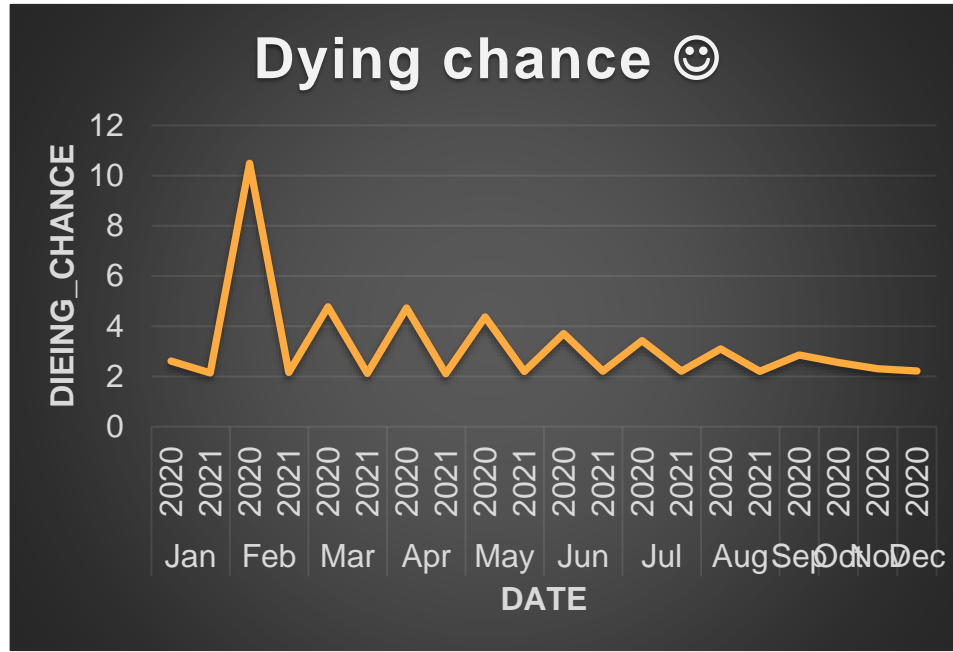

For the 2 years 2020 & 2021 almost at the same time the number of the cases is the same .

# What is the infection distribution around the world ?

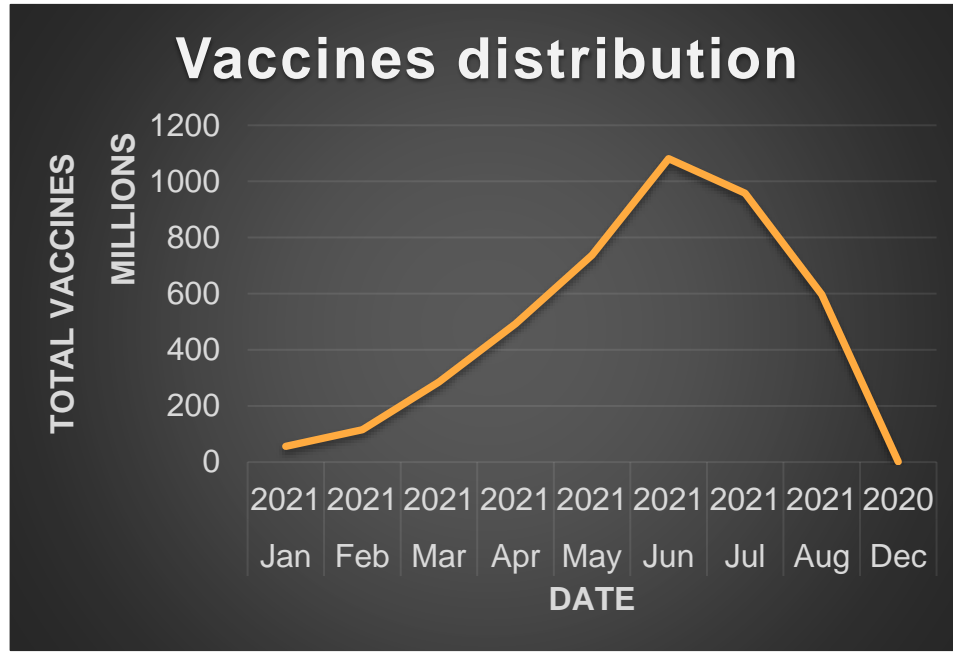

Well QTR2 in 2021 was nerve wracking ,  
Actually the whole year is nerve wracking

# What was the worst period to die ?

FEB 2020 was the worst time , sadly it didn't happen gain 😞

# Total vaccines around the world

I wonder what lowered the vaccination process at the end of 2021 ?!!
